Headteacher's Message

Over the past few weeks, some children have been sharing what they watch and play during their screen time. While we recognise that screens can be a valuable part of children's learning and relaxation when used appropriately, we are becoming increasingly mindful of both the content being accessed and the amount of screen time being described.

We kindly ask that you continue to monitor your child's screen use and ensure that any content is age-appropriate. A number of children have also mentioned watching or playing games late at night, often in their bedrooms. Where possible, we encourage screens to be kept out of sleeping areas, as this can help support healthy sleep routines.

The World Health Organisation recommends:

- Babies and children under two years: no screen time
- Children aged two to five years: no more than one hour per day (with less being even better)

You can find further help and advice from [NSPCC](#), [Internet Matters](#), or from this [guidance sheet](#) (also on display in our noticeboard). As always, please don't hesitate to speak with us if you would like support or have any questions – we are very happy to help.

Thank you for your support.

Book Recommendation

#Goldilocks - A Hashtag Cautionary Tale, by Jeanne Willis and Tony Ross.

10 February was **Safer Internet Day** and this hilarious tale shows what happens when Goldilocks goes too far online—stealing porridge (#pipinghot), breaking chairs (#fun), and using someone else's bed (#sleep). What will Daddy Bear do when he sees it? A very funny book with an important message.

"There is more treasure in books than in all the pirate's loot on Treasure Island."

PENALTY NOTICE INFORMATION

Just to remind parents/carers that if they take their children out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.
